

# Parish People: Founders of the parish

*This is part 8 of a 12 part series about our parish history which we are running in the bulletin to celebrate our 50th anniversary year. This article covers our parish founders. The photos shown on these 2 pages were originally printed in the June 2009 Messenger. At that time, we attempted to contact all of our original founders. We visited homes and shops and for months did call outs in the bulletin and earlier newsletters.*

*We are all founders in our time. Our roles, no matter how great or small, have made our parish what it is today. For the month of January, 2014, we asked parishioners to fill out sheets showing when they first came to the parish. We received 188 responses:*
