Mass Intentions-Important Information

Canon Law and our diocesan guidelines state that **each Mass may have one intention** for which a stipend is offered. Because of this, Mass intentions are scheduled on a **first-come, first-served basis**, and the specific date requested may not always be available. In addition, **one Mass each weekend must be offered for the "Saint Joseph the Worker Community."**

We currently do **not** schedule Mass intentions more than **two months** in advance. This helps ensure that special dates and holidays remain accessible to everyone rather than booked years ahead.
